Invites you to a breakfast seminar to  
launch the new

# Australian Academy of Health and Medical Sciences *in Western Australia.*

Friday July 3, 2015

7am – 9am

Telethon Kids Institute,  
100 Roberts Rd, Subiaco

RSVP by Tuesday June 30, 2015  
[reception.SMB@telethonkids.org.au](mailto:reception.SMB@telethonkids.org.au)  
*for catering purposes*

The Academy was established to provide an impartial and authoritative voice for healthcare, informed by the best available evidence and expert advice from the best and brightest in health and medical research. The Academy will also focus on the development of future generations of health and medical researchers.

There will be opportunity for questions. This invitation is transferrable or can be extended to other key opinion leaders in medical research and healthcare from your organisation.

Eight Fellows from Western Australia have been inducted into the Academy. They are:

Professor  
Jonathan  
Carapetis

Professor  
Nigel  
Laing

Professor  
Peter  
Leedman

Professor  
David  
Mackey

Professor  
Barry
